2. Ghana Education Trust Fund (GetFund)

The GETFund “provides financial, social, and academic support to Scholars. Financial support includes, but is not limited to, tuition fees, accommodation, and other scholastic materials. The programme focuses on the narrow confines of the ‘brilliant but needy’ requirement to qualify for scholarship support at both undergraduate and postgraduate level, GETFund scholarship recognizes that scholarship support can, and must, expand beyond that scope if it is to make a more meaningful impact on society”.
